### The Satellite.biz *consortium*

is a suite of relational database systems and solutions comprised of independent, standalone software modules meeting every information management need of any municipality, county, state or government agency.

#### ALL DEPARTMENTS, ONE COMPANY, ONE SOFTWARE, ONE PROCESSOR, ONE SOLUTION

- Municipalities maintain their recording information and images locally, in their own office
- IMAS automatically uploads updated information, according to parameters defined by the municipal officer, to IMAS' dedicated internet Servers
- All searching is executed over the internet at WebTownHall.com©, eliminating any and all threats to your local computer systems and files
- Constituents, Tax Payers, Searches, Attorneys, Banks, Newspapers, Chambers of Commerce, Realtors, or anyone needing to view recorded information remotely can access your records through webotwnhall.com/showcase or a hyperlink, URL from your web page
- All fees and subscriptions (if applicable) will be set and collected electronically by you through the merchant services of Authorize.net and TheSatellite.biz©
- Anyone can view their information remotely, pay bills, complete applications, permits and requests, or undertake city/Town hall business from any software.
- Full electronic printing services for all your needs with electronic notification as desired. RPS tax bill printing services provided by ATC
- Property Tax Collection & Billing—*ATC Taxes*
- Sewer Water Billing + Automatic Meter Reading—*Water Works*
- A complete software handling all functions for Town/City/Village offices—*TCS*™
