Dear *IMAS customer*,

IMAS has added credit card processing to our latest **ALS®-Animal Licensing** software version v4.5.5.

Whether or not your Municipality currently accepts credit/debit card payments, you can now offer this convenience to your constituents seeking to keep their pets' registrations current.

Our partner, **Power Pay**, uses the most advanced, tested, approved, PCI-DSS Level 1 compliant credit card processing. In addition to enabling credit/debit card payments, this new version allows for up-to-date [Internet inquiry](#) for Police and A.C.O., including functions for easy dispatching. There is no cost for this system upgrade [with an up-to-date annual software maintenance.

Some of the new features include...

- Choice of batch or individual search for billing reminders (4)
- Allowing signature and crest on billing reminders
 - Standard updates as reported

Forthcoming...

- Ability to License on a calendar year
- Online Renewals
 - Only when the Rabies certificate is valid (at the time of access)
 - Ability to charge for shipping and handling (at your discretion)

I hope you are interested in upgrading to the latest version of IMAS' **ALS®-Animal Licensing** software. To get started, complete a [support ticket](#) to request an application, and you can be accepting credit card payments within a week. As always, feel free to give us a call if you have any questions. (jpires@imasllc.com 203-775-3101)

We are grateful for your business.

I look forward to our next communication.

Sincerely,

Jonathan
